FROM (DEPT/ DIVISION): Public Works  
PROGRAM: 4530-54100 Non-Capital Equipment  
SUBJECT: New flatbed for roadside spray truck

**Background:** The public works department would like to purchase a new flatbed for our roadside spray cab and chassis that was purchased in October of 2022 from Surplus Property in Salem. Since we purchased the cab and chassis we have been looking for a local company that can build and deliver a truck bed that would meet our specifications to accept a portable spray unit. NW Farm supply in Hermiston was able to put together a package that meets our needs. This flatbed will put us on track to complete the spray truck in time for the 2023 spray season.

**ACTION REQUESTED:** Authorization to purchase from NW Farm Supply a flatbed for the roadside spray truck in the amount of \$6,599
