

AGENDA ITEM FOR ADMINISTRATIVE MEETING () Discussion only
(XXX) Action

FROM (DEPT/ DIVISION): UCo Health

SUBJECT: Additional positions (FTE)

<p>Background: UCo Health is receiving additional investments from the legislator, through Oregon Health Authority, to support public health modernization. This investment also requires performing additional work. To that end, we need to hire additional staff to complete this work, and the funding for those positions is being fully provided. This also includes a regional component for which Umatilla County will be the fiscal agent.</p>	<p>Requested Action: Requesting approval to create three FTE of Community Health Systems Developer positions, Range 23, contingent on grant funds being received. There is no anticipated impact on general funds to support these positions.</p>
