FROM (DEPT/ DIVISION): Planning Department

SUBJECT: Oregon Community Pathways Grant Application

<p>Background: The Umatilla River Trail Implementation Committee with support from Planning Department staff and Merchant McIntyre (consultant) have prepared a pre-application grant request to the Oregon Community Pathways Program. The funding request (Approximately \$6 million) would support permitting, engineering and design, and construction for a portion of Phase One of the trail, which would ultimately connect the cities of Umatilla and Hermiston. The program requires a 10.27% match and the county has a committed local partner to help cover the required match. Pre-application is required to be submitted to ODOT by September 15th. The county, if invited, would make full application to the grant program in early 2023.</p>	<p>Requested Action: Approve the County to submit a pre-application to the Oregon Community Pathways Program and authorize Chair to sign application and necessary documents.</p>
