

AGENDA ITEM FOR ADMINISTRATIVE MEETING

() Discussion only
(X) Action

FROM (DEPT/ DIVISION): Sheriff's Office / Criminal and Reserve Divisions

PROGRAM: Weapons and Ammo

SUBJECT: Sheriff's Office Duty Pistols

Background: For approximately 2 years, we have been in the process of assessing our current duty firearm (pistols) as compared to trending and standard equipment being used predominately by other Law Enforcement agencies within the U.S. Our findings indicate that, overwhelmingly, 9mm caliber duty pistols are recommended and utilized by most local, State and Federal agencies nationwide. To summarize some of what research is showing: The 9mm is easier for most shooters, regardless of experience, to use and become proficient with. 9mm ammunition technologies have changed over time, and concerns about Law Enforcement use of 9mm weaponry in the past is minimized due to better ballistic performance. In addition to the use of 9mm caliber, the use of optics is becoming prevalent in Law Enforcement. As with the 9mm caliber, the use of optics seems to be helping all users to become more proficient in the use of the firearms. Our current duty pistols are Glock model 22, a .40 caliber with "open sights" – no optics. Currently Glock offers a COA duty pistol equipped with Aimpoint optics. The pricing of the "package" offers significant cost savings over purchasing the pistol and optic separate. We have already accounted for replacing our current duty pistols incrementally, and have increased this fiscal year's budget in this area to accommodate the anticipated purchase. We will also receive some "trade-in" value for our current .40 caliber Glock duty pistols, which will help offset the costs of purchasing the new equipment. The Reserves are requesting to purchase the same duty pistols / optics in order to maintain consistency with our full-time Patrol Deputies and the equipment they carry. We have checked with multiple Law Enforcement vendors, and have found the best pricing for the new equipment and reasonable "trade-in" value for our current pistols, with Oregon Rifleworks (Tigard, Oregon), at a unit cost of \$732.00 each (quotes attached).

() ACTION REQUESTED:
We respectfully request authorization to purchase two (2) separate orders for (10) ten Glock 45 COA duty pistols, in the amount of \$7,320.00 each, for a **total cost of \$14,640.00**. The purchases will be made from the Criminal Division budget – (15600-550009 weapons and ammo); and the Reserves budget (15800) separately.

ATTACHMENTS: Quotes

Date: (9/4/2025)

Submitted By: (Paul Wolverton)

Checkoffs:

- () Dept. Head (copy)
- () Human Resources (copy)
- () Legal (copy)

To be notified of Meeting:
Paul Wolverton; Doug Primmer, Jim Littlefield
Needed at Meeting: Paul Wolverton

Scheduled for meeting on: September 17, 2025

Action taken:

Oregon Rifleworks
