FROM (DEPT/ DIVISION): Community Development Department

SUBJECT: Transit Vehicle

<p>Background: CAPECO previously operated a transportation program partially funded through Umatilla County’s Statewide Transportation Fund (STF) program. CAPECO closed the program effective December 31, 2022.</p> <p>The vehicle was purchased with transit funding; therefore, Umatilla County has an interest in one of their vehicles, a four-seat 2010 Dodge Caravan with a rear wheelchair ramp. The current mileage is 157,291 and CAPECO staff shared that the vehicle does not run, and they suspect it needs a new alternator. The KBB private sale value is \$2900-\$4800. CAPECO is interested in having the vehicle removed from their facility.</p> <p>The County needs to request the title to be released from ODOT and decide how to dispose of the vehicle. The vehicle could be salvaged, privately sold, auctioned, or transferred to another transit agency.</p>	<p>Requested Action:</p> <p>Consider and authorize the Transit Coordinator to request the title to be released from ODOT for the 2010 Dodge Caravan.</p> <p>Decide disposal method (donation, auction or sale to transit agency).</p>
