Re: South Fork of Walla Walla River
Trail and Access Road

Dear Sir or Madam:

Umatilla County Board of Commissioners adds its support and request for the repair of trail #3225 on the South Fork of the Walla Walla River. We are also requesting the repair of the access road from Harris Park to the trail head, which was destroyed in the February 7, 2020 flood event.

This Board has been actively involved for a number of years in attempting to find a resolution to this on-going access issue to public and private property. We urge that action be taken to repair the trail and the road to address the immediate need. The County is ready and willing to assist in finding a long term resolution to this matter.

Thank you for your consideration.

John M. Shafer, Chair

Daniel N. Dorran, Commissioner

George M. Shafer, Commissioner
