FINDINGS AND CONCLUSIONS

HARRY & DARLENE SNIDER REQUEST FOR AMENDMENT TO URBAN GROWTH BOUNDARY

Map 1S 32 21, Tax Lot 600 (portion)

1. Applicant/owner: Harry & Darlene Snider

2. Location: The parcel is located south of the city limits near County Road 842. Portion of Tax lot 600 on map #13221.

4. Request: Applicants are requesting a zone change to the Urban Growth Boundary on a portion of their tax lot 600 on map #13221. They are requesting a zone change from Exclusive Farm (F-1) to Farm Residential (R-4). Applicants want to place a mobile home on their property.

5. Comprehensive Plan and Zoning Designation: The Comprehensive Plan designation for this area is R-4, but the County’s map show this property as F-1. It is the City’s understanding these property would be zoned F-1 until the property owners request a zone change.

6. Property Owners Notified: Notices were mailed to all property owners within 250 feet, council members, planning commission members and Umatilla County Planning Department on January 24, 1995. They were given an opportunity to comment on the proposed zone change at the planning commission meeting on February 6, 1995. A public hearing was held at the City Council meeting on February 7, 1995. A legal notice of the hearing was published in the East Oregonian on January 25, 1995.

7. Planning Commission Recommendation: The Planning Commission met on February 6, 1995. The Planning Commission did not receive any comments from the property owners or Umatilla County Planning Dept. The Planning Commission recommended to the Council that the urban growth boundary be amended to change the zone from F-1 to R-4 on a portion of tax lot 600 on map #13221.

The City Council unanimously voted to change the zone from F-1 to R-4 on a portion of tax lot 600 map # 153221 to agree with the City's zoning map.

Respectfully submitted:
