

NARRATIVE:

The purpose of this survey was to establish the West line of that parcel belonging to Dick Sperlich. Using points set in 1972, by Wayne Harris Co. Inc. for Rogers Construction Co., Umatilla County Survey Records drawing no. H-121-B, which were found as shown, we established the line parallel with the North-South centerline of the Northwest one-quarter. The Northwest one-sixteenth corner has been disturbed and was not used.

Bearings were based upon said Rogers Construction Co. Survey, Umatilla County Survey Records drawing no. H-121-B.

- denotes Brass found
- denotes railroad spike found
- denotes 5/8" in x 30 in. iron pin with aluminum cap set
