**NARRATIVE:**

The purpose of this survey is to partition 1.98 Acres (net) from the west end of the combined parcels described in Deeds to STANLEY COOPER et ux, recorded in B. 344, P. 216, & R. 29, P. 633, Umatilla Co. Deed Records. The N-S centerline of Sec. 7 shown is established from my 1978 sur. for NETTER et al, and was first surveyed by me in a 1977 survey for TORRIS. That TORRIS survey was based on Krumbeins 1975 survey for Perkins in which he subdivided Sec. 7.
