

**NARRATIVE:**

The purpose of this survey is to find and set corners of that parcel described in Deed R. 206, Page 1081, which is the South Half of lots 7 and 8, Block 5, OSBURN TRACT HOMESITE. Bill Wells set the West corners of Lot 8 in 1984 and 1986 and the East corners of Lot 7 in 1991 in surveys for E.S. Schnell. Measurements to his corners indicate that the Northwest corner of Lot 8 was probably removed by construction and replaced by construction workers 0.34' North and 0.26' West of Wells' location.

Scale: 1" = 20'
