311 S. Main St., Milton-Freewater, Or. 97862

SURVEYED BY: PHILIP J. LARSON
307 SE 12th Ave.
Milton-Freewater, Or. 97862
Ph. 503) 938-4727

NARRATIVE

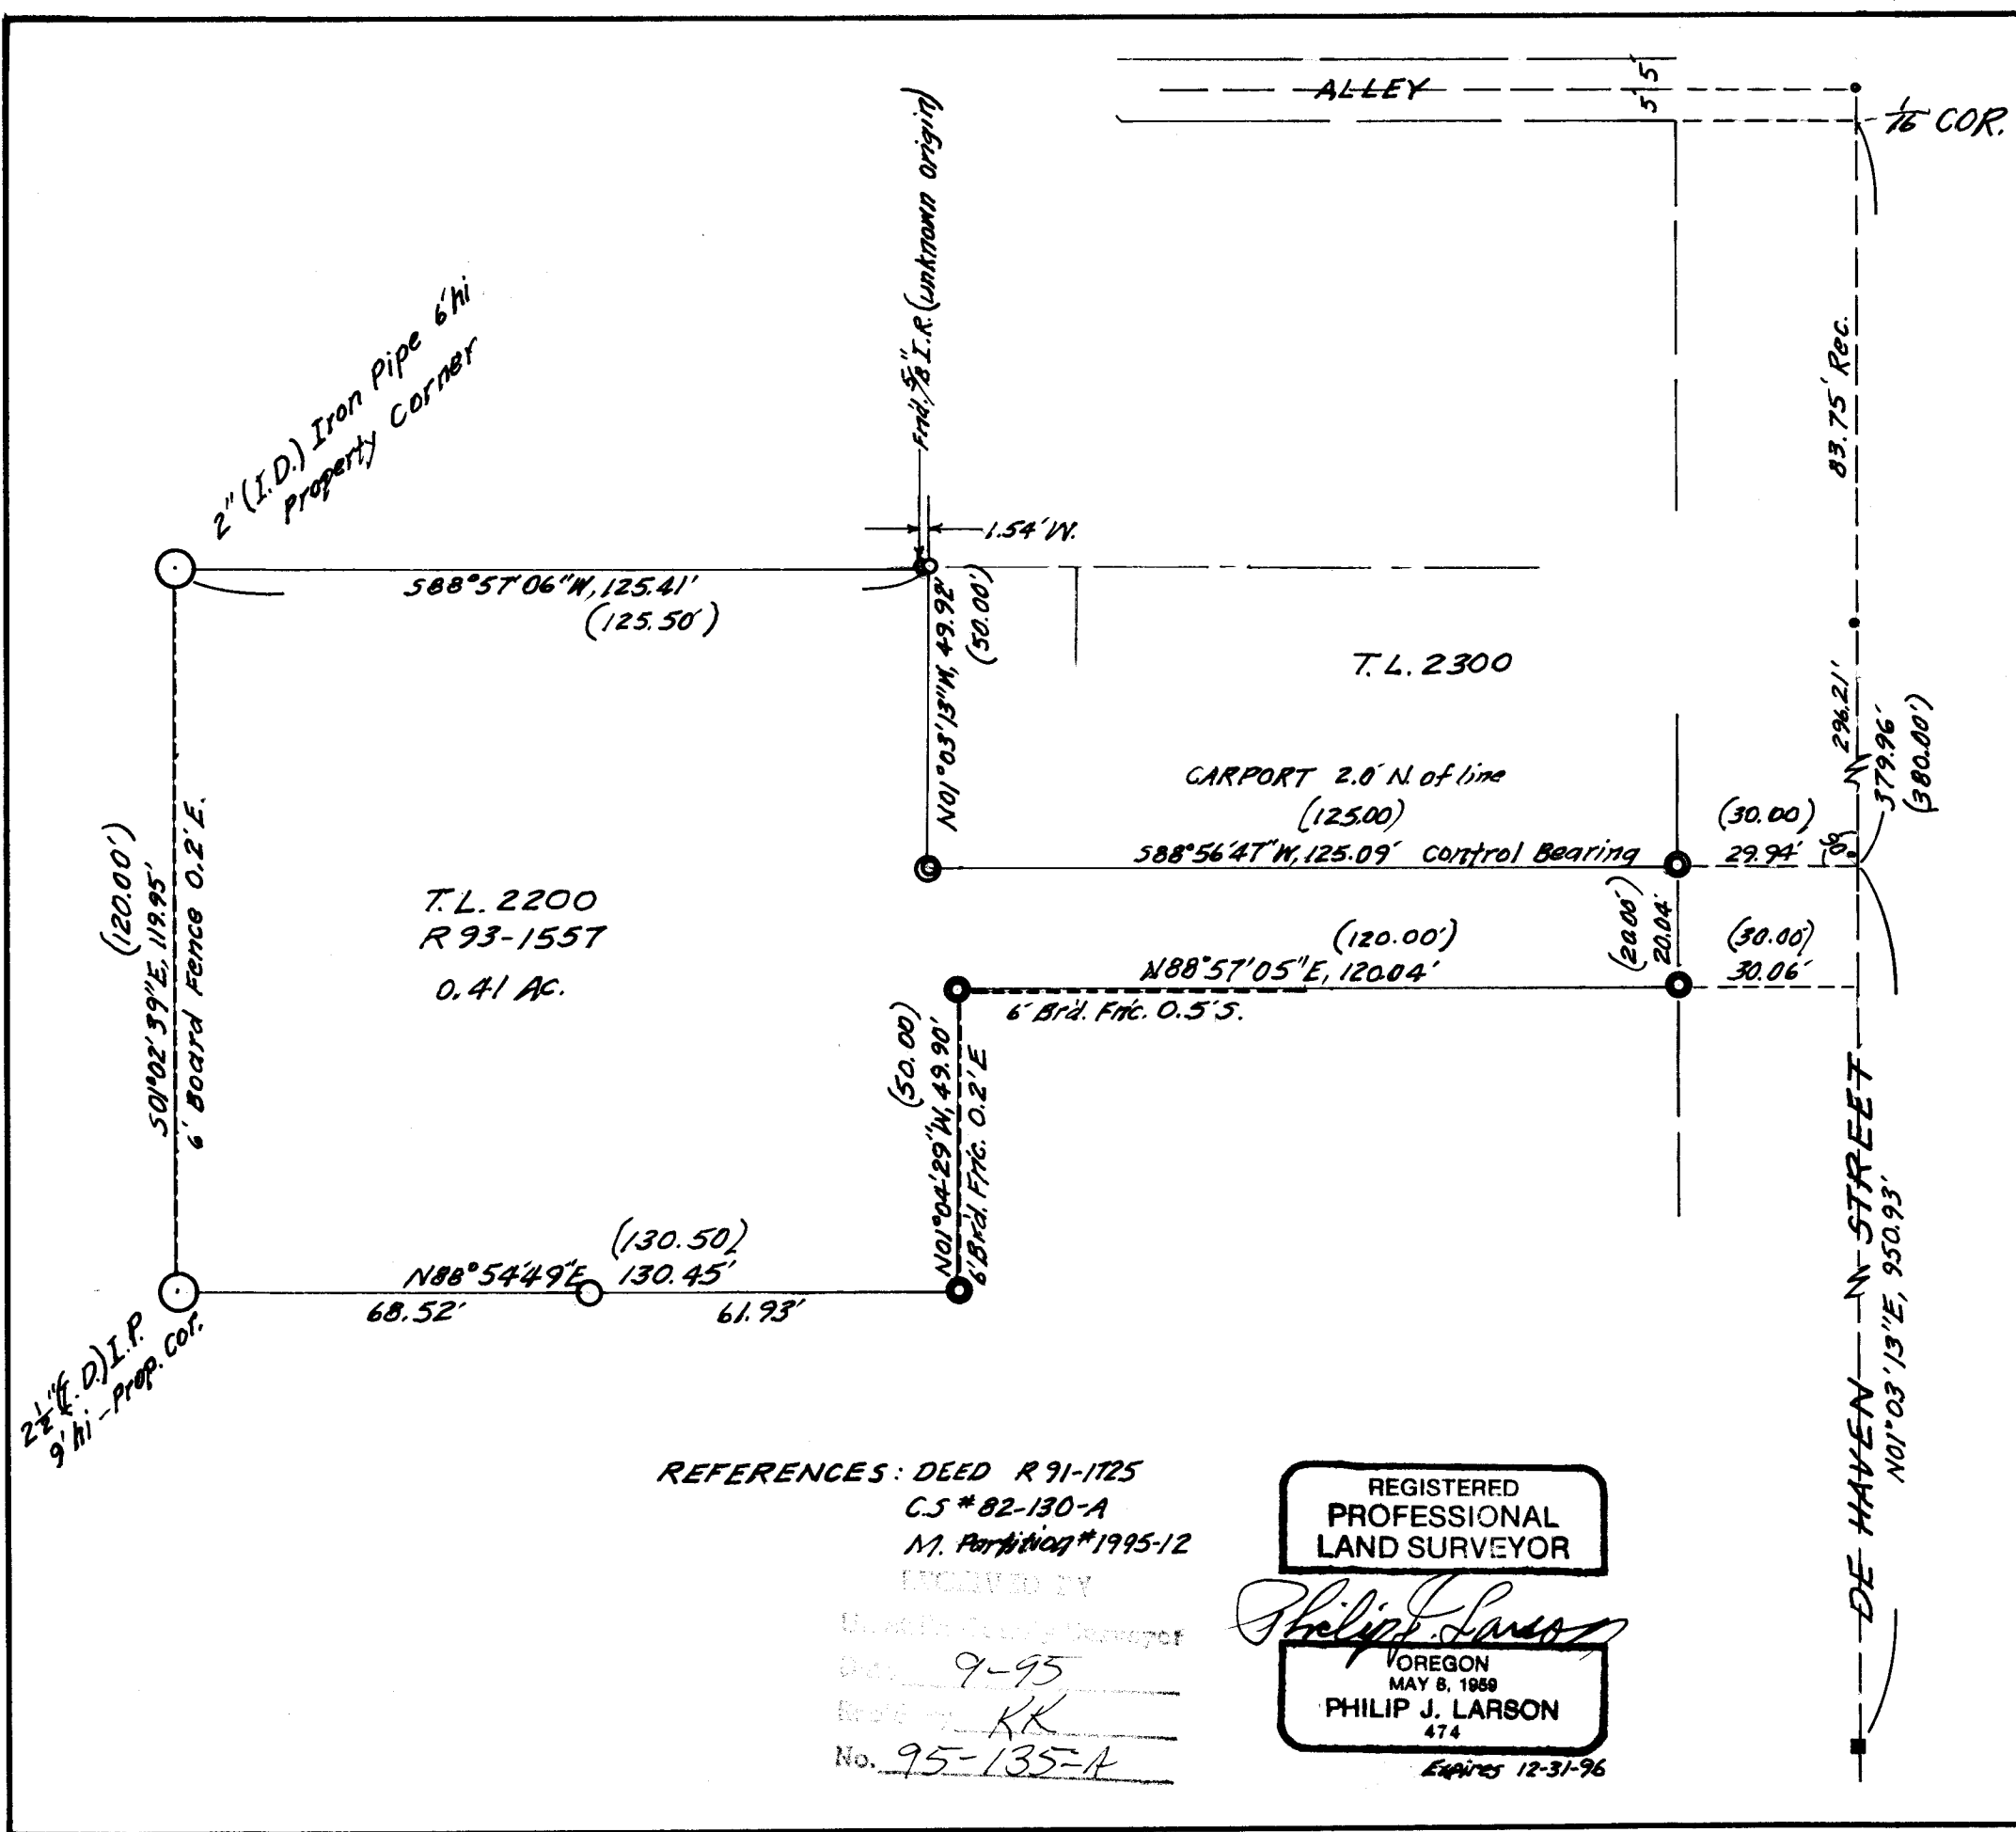

The purpose of this survey was to locate and, or, re-establish the boundaries and corners of Tax Lot 2200 in the SE 1/4 SE 1/4 of Section 2, T.5 N., R.35 E., W.M. in the City of Milton-Freewater, Umatilla County, Oregon.

The property had previously been surveyed in C.S.#82-130-A and a portion of the south line was surveyed in C.S. M-P 1995-12. I utilized this last stated survey for my basis of bearings.

At the northeast corner I found the iron rod badly bent but I was able to determine the original location fairly precisely and set a new 5/8" I.R./plastic cap with No. 15474 in same hole.

The deed dimensions as noted in DEED on Roll 91-Pg. 1725 are noted in parenthesis.

A red stake was firmly set by each corner.
