

NARRATIVE:

The purpose of this survey is to locate the corners of Lot 3, Block 1, "ALLEMAN ADDITION," so a home can be sited. I could only locate the SE corner of the lot and I decided not to use that monument because it does not match the plat distances to other monuments found in "ALLEMAN ADDITION." I retraced the original plat as surveyed by Shea in 1972 to set the corners of this lot.
