NARRATIVE OF SURVEY

for

ANTONE MINTHORN
(See Survey Map No. _____)

This survey was performed for the Umatilla Reservation Housing Authority as part of the 12-07 housing construction project.

The survey involved laying out a 1.0 acre more or less homesite on lands owned by Antone Minthorn. The East boundary of the tract was determined based on found monuments at the Center 1/4 and North 1/4 corner of Section 6. The North boundary of the tract is the South right-of-way line of County Road No. 750. The South right-of-way line was determined based on a map dated August 8th, 1956 and recorded in BIA Right-of-Way File No. 16136-56. The South and West boundaries were established as shown on the Map of Survey and are within the overall exterior boundaries of the Antone Minthorn land.
