SURV. FOR T.T. & W.

Find 1/2" IR

NARRATIVE: This survey is based on my 1977 survey for T.T. & W. which was based on a section breakdown by Wayne Harris Co. in 1975. In my 1978 survey for Myrick, I set the NE. Cor. of Sec. 5 approx. 10 feet east of where Wayne Harris Co. computed it. That means the N 1/4 Cor. should be 5'± east of where it is shown on this map but I have chosen not to change it because it would involve disrupting too many pieces of property. The deed to this parcel refers to my 1977 survey for T.T. & W.
