

RR & Curve Data
 Δ = 60° C
 T = 218.91
 R = 1146.91

NARRATIVE:

The purpose of this survey was to reestablish the boundaries of a parcel belonging to Broadfoot in the SE of Sec. 15, T4N, R28E, W1M. The property was previously surveyed by Krumben Engineering Co. in December of 1976 for Jack McFadden, County Surveyor No. R-101-B.
 The pins shown as found were set during this previous survey and were used as a basis of bearing.
