Road No 302

Report of Viewers. Field Notes and Plat of Survey of a County Road
beg. at State Line and ending at the corporate limits of the City of Milton
Oregon.

Report of Viewers

To the Honorable County Court of Umatilla County and State
of Oregon.

We the undersigned viewers appointed to view, survey, and
report upon proposed Road No 302 beg leave to report to your Hon-
orable body that we met at Milton Nov 16th 1887 and were quali-
fied, and taking to our assistance A. W. Kirk and D. J. Kirk as chain
bearers and M. F. Smith as marker proceeded to the discharge of
our duty and having completed the same Nov 18th 1887 to the best of
our ability, we most earnestly recommend that said proposed
road be established as a County Road as surveyed for the fol-
lowing reasons viz:

1st The location for the road is good.

2nd The road is greatly needed, there being parties residing ad-
jacent to it who have no public roads to travel to and from their
homes.

3^d The road would be of great public benefit.

M. F. Smith not appearing on the 18th as marker
H. L. Briggs was qualified and performed the duty on that day.

Respectfully submitted
this Dec 8th 1887
