Report of Viewers

To the Hon County Court. } ss
Umatilla County, Oregon

We, the undersigned, viewers in the matter of Road Survey No 332. for Umatilla County, Oregon, would report that we met County Surveyor Jno. C Arnold, at the time and place appointed for the same, and were each qualified by the Surveyor as directed by law. We called to our aid Christopher Anderson, and A. E. Rest, Chmn. and C. M. Fuson marker, who were, also, each duly qualified by the surveyor, whereupon we proceeded to view out and survey said road as described in our order for the same. The said road is located on a range line, is upon comparatively good ground, and much needed as a connection between two roads running E + W, at the extremities of said road, also as a means of outlet to three prosperous farmers, who have no other outlet from their farms.

We would, therefore recommend that said road No 332, become a County Road.

Witness our hands, each, this 24th day of April, at South Juniper, Umatilla County, Oregon.
