Report of Viewers

To the Hon. County Court }
Umatilla County, Oregon }

We the undersigned Viewers on road Survey No 335 for Umatilla County Oregon, would report that We met Jno. B. Arnold, County Surveyor at the time and place specified in our order for the same and were each qualified as directed by Law. We proceeded to view out and survey said road, as described in our order, calling upon Perry Myrick and A. E. Rest to chain, and A. E. Rest to mark. We find the road located upon Section lines throughout and upon comparatively good ground. We believe a good road can be made on our Survey at a very reasonable expense. the road is very much needed, as an outlet for farmers living in vicinity of the same, We would therefore recommend that said road No 335 become a County road.

Witness our respective hands this 25th day of Apr 1890.
