Report of Viewers.

To the Hon County Court for Umatilla Co Or.

We, the undersigned, viewers in the matter of County Road No 336, would respectfully report that we met County Surveyor Jno. B. Arnold, at time and place appointed for the same, and calling to our aid, A. Rest and J. H. Dickmon, chainbearers, and D. E. Bargill marker, and after being our selves, each duly qualified, and each of our assistants qualified, as directed by law, proceeded to view out and locate said road as prayed for in the petition for the same. We find the road located on comparatively good ground, and much needed as a connection and outlet for the travel on roads leading down North and Middle Cold Spring Cañons. We are informed that, in view of the need of this road, as an outlet to and from certain settlers living in the vicinity of the Road, a considerable voluntary labor has been promised. We believe that the labor already subscribed, in connection with the amount delinquent on property along the said road, is sufficient to put the Road in a passable condition, excepting, probably, as many as five small culverts.

We would therefore recommend that the prayer of the petitioners for said road be granted, and that road No 336, become a County Road.
