To the Hon County Court
Multnomah County, Oregon

We the undersigned, viewers on Road Survey No 338 would respectfully report that we met Jno C. Arnold Surveyor at the time and place appointed for the same and were each qualified according to law.

We called Edgar Thomson and S. M. McReynolds to chain and mark and D.E. Clark a man who were each duly qualified.

We viewed out and surveyed said Road 338 as specified in our order for the same and find the route to be very practicable and almost an absolute and imperative demand for a road operating as an outlet for the settlers in the vicinity of Road 338. Roads are few and trails have been opened and worked voluntarily so as to make them passable but the land over which they have been laid have subsequently been claimed and fenced and this means of travel practically ended.

We would therefore recommend that said road No 338 be declared a public highway.

Witness our respective hands at Alba this 30th day of July A.D. 1890
