We, the undersigned,
viewers on Road No 340 for Multnomah County Oregon
would report that we met Geo L Arnold, Surveyor
at time and place appointed for the same and
were each qualified as required by law.

We called to our aid Edgar Thomson and Ed D.
Washburn who were each qualified to chain and
mark. We viewed out and surveyed said road
No 340 as prayed for in petition for the same.
We find the road located upon comparatively
good ground and much needed; we would there-
fore, recommend that said road No 340 be declared
a public highway.
