To the Hon County Court
for Matilla County

We the undersigned viewers on Road survey No 329 for Matilla County Or would respectfully report that we met with Jno C. Arnold County Survey at the time and place appointed for the same and after being qualified as directed by law called to our assistance Peter Deardorf and Simon Deardorf who were each qualified, duly, as chain bearer and C.B. Davidson ^{who was qualified} as marker. We proceeded to view out and survey said road 329 as prayed for in petition for same.

We find the road located upon comparatively good ground and very much needed. We would therefore recommend that said prayer of petitioners be granted. We would also recommend that the petitioners for said road, each put the necessary, and legal amount of work upon said road and that your honorable body instruct the Supervisor of the Road District in which said road 329 is located to see that such labor is performed in the opening up of said road 329

Witness our hands this 26 day of October
