T.R.R. said Road to be 50 feet wide.

Report of Viewers

on Road No 345

Vausyke Or Aug 1890

To the Hon County Court
Multnomah County Oregon

The undersigned viewers heretofore appointed to view and lay out Road No 345, submit the following report, Pursuant to order of the Hon Court Geo B. Clark viewer undersigned met with Jno C. Arnold at Mr. Reuick's house Aug 5th 1890. Mr. Kievan being away out of the county, Mr. A. R. Gordon was set for but was also away attending a sick daughter and the said Geo B. Clark being himself sick and unable to attend to duties of Road viewer, it was thought best in view of the immediate and pressing necessity for action in the matter of said road No 345, that the Surveyor call Jno L. Stoekman and Edgar Thomson to chain and mark the said road as by us instructed and to employ such other help as might be found necessary and forthwith proceed to the said survey and that we, the undersigned should go over the said road as surveyed and marked out, and which we have done in company with Jno L. Stoekman sworn chain and marker we find the route quite practicable, the grade down the hill to Vausyke Cañon at Cañon Station is a fine one, the road is very much needed by the community and the
