Viewers Report

To the Honorable County Court of the State of Oregon for
Washtenaw County.

We the undersigned Viewers on County road No. 413
would respectfully report that we met Geo. C. Arnold
County Surveyor at the Res. of J. J. Cargill on the 17th day
of Apr. A. D. 1893 and were by him duly qualified to
discharge the duties of our respective appointments as
road viewers We called to our assistance J. J. Cargill and
Edgar Thomson to chain and mark who were also
each duly qualified. We viewed out surveys and lo-
cated said road 413 as petitioned for, the same be-
ing a change in the County road leading down
Cold Springs Canyon to Simmons Landing on the
Columbia River we find the change as survey by
us to be no longer and to be located on better
ground and therefore recommend that the same
be granted and so ordered by your Hon. body.

Very Respectfully
