said Canyon through the land of Thomas Lorente to the mouth of  
said Canyon to a point 125 ft North of the North East Corner of  
Thomas Lorente's Cabin, which point is further designated by  
a post set in the ground. Continuing thence from the post  
last described in a South Westerly direction, 250 feet and 3  
inches to a point nearly in the Centre of Road No 374, which  
point of terminus is also designated by a post set in the  
ground. Said Road to be forty feet wide.

Viewers Report

To the Honorable County Court of the State of Oregon for  
Umatilla County.

We, the undersigned, the Viewers hereto-  
fore appointed to view and locate Road No 427, submit  
the following report. Pursuant to an order of the Honorable  
Court ex. met Jno. L. Arnold, County Surveyor at Court House,  
Pendleton Or. on June 15<sup>th</sup> AD 1893, and were by him each duly  
sworn to faithfully and impartially discharge the duties  
of our appointments.

We called to our aid Edgar R Thomson  
W. M. McCormack, Chainmen, Marker, who were by the  
Surveyor, each duly sworn. We viewed, surveyed and located  
said Road No 427 as specified in our order.

We find the route practicable and there appears to be much  
of a demand for the road. We would therefore recom-  
mend that said Road No 427, be declared a public  
Highway.
