In the matter of viewing, surveying and laying out County Road No 451

Commencing at the northeast corner of sec 16 in Tp. 3 N. R 33 E W.M. Thence running East on Sec line between Secs 9 and 16; Secs 10 and 15; and Secs 11 and 14 in said township and range, and there terminate. Said road to be 40 feet wide

Report of Viewers

We, the undersigned, the viewers heretofore appointed to view and locate County Road No 451 submit the following report: Pursuant to an order of the Honorable Court we met John W Kimbrell, Surveyor, at Geo Shutrums house on September 20th 1894, and were by him each duly sworn to faithfully and impartially discharge the duties of our appointments, and on Oct 9th 1894, we called to our aid Geary Kimbrell and J W Kimbrell, chairman, who were by the surveyor each duly sworn. We viewed, surveyed and located said road No 451 as specified in our order, and find the route practicable and very much needed as a thoroughfare, and would most respectfully recommend it be declared a public highway.

Note - I met Geo. Shutrums and John M Bahr, viewers, as per appointment Sept. the 20th 1894, who were by me duly sworn, to the Rosenberg not being present. We adjourned from time to time, viz: to Sept 25th - Sept 29 - Oct 2nd and Oct 9th, 1894, when all the viewers being present to the Rosenberg was duly sworn, and we proceeded to survey lay out and mark said County road No 451 as by law required
