ROAD NO

147.

In the matter of Viewing, Surveying }
and Laying Out County Road No. 147 }

To the Honorable County Court of the State of Oregon for Umatilla County:-

We, the undersigned, the Viewers heretofore appointed to view and locate Road No. 147 submit the following report: Pursuant to an order of the Honorable Court we met John W Humbrell, Surveyor, at commencement of said road on the 23rd of Sept. 1896, and were by him each duly sworn to faithfully and impartially discharge the duties of our appointments.

We called to our aid C O French, C A Shockley, Chainmen, and James Shockley, marker, who were by the Surveyor each duly sworn. We viewed, surveyed and located said road No. 147 as specified in our order, and would most respectfully recommend the same to be vacated and petition be granted as soon as road No. 483 shall have been opened for travel, for the reason that road No. 483 is not passable at the present, and is a substitute for a portion of road No. 147, shortening the route, with an easier grade, to Pilot Rock or Lees Crossing on Birch Creek.
