

ROAD No  
523

of the sides thereof corresponding with the direction of said road, with  
three notches cut through the bark and one inch into the wood, and all  
trees adjacent to the said line of said road, were plainly blazed on  
the side facing said road, the beginning and termination of said  
road and the termination of each mile, and intermediate points  
have been marked in the manner provided by law, as will more  
fully appear by the certified return of said Surveyor, of said  
road, which is herewith attached and made a part of this  
report;

That in our opinion the said proposed road should be  
established for the following reasons, that it has been traveled  
for many years and is the only direct route, from Red Bridge  
on Birch Creek, to the City of Spauldton.
