who were by the Surveyor each duly sworn. We viewd, surveyed and located said Road No. 612, as specified in our order. We find said route practicable and would most respectfully recommend the same be established and declared a public highway of Umatilla County, Oregon; the cost of construction will be about \$30⁰⁰. The damage to be sustained by property owners through whose land the road is laid out and surveyed by reason of the location of said road would be Nothing.
