

West

This is the above is a map of the the Different roads the Lincoln and the Mountain and the cotton wood road we propose to vacate the Mountain road from a hawkins to the middle of sec 35 and locate as the above large dark line runs from the Lincoln road to the middle of sec 35 to intersect the Mountain road a gain from thence to continue the same as before and to locate a  $\frac{1}{4}$  running north from sec 34 to connect the cotton wood road and the Mountain road
