ending at the boundary line of lots of
Dundleton Oregon.

Road No 371 } 28

Docket No 19.

Now on this day comes the report of the viewers heretofore appointed at the July Term 1891 of this Court to view out and report upon the location of the above proposed road as a County Road for final hearing, the same having been read at a previous day of this Court, to wit Sept Term 1891 and the said viewers having reported favorably and recommended the establishing the same as a County Road and the field notes and Plat of Survey being duly on file and certified to by the Surveyor appointed to survey the same and there being no remonstrances or claims for damages on file against said road.

passing at the boundary line of city of

Dundleton Oregon.

Now on this day comes the report of the viewers heretofore appointed at the July Term 1891 of this Court to view out and report upon the location of the above proposed road as a County Road for final hearing, the same having been read at a previous day of this Court, to wit Sept Term 1891 and the said viewers having reported favorably and recommended the establishing the same as a County Road and the field notes and Plat of Survey being duly on file and certified to by the Surveyor appointed to survey the same and there being no remonstrances or claims for damages on file against said road

It is therefore ordered by the Court that said road be established as a County Road in accordance with the report of said viewers and that the report of said viewers, field notes and plat of survey thereof be recorded as by law required and that the Supervisor through whose District the said road runs be directed to open the same to Public use.

recommended the establishment of the same as a County Road and the field notes and Plat of Survey being duly on file and certified to by the Surveyor appointed to survey the same and there being no remonstrances or claims for damages on file against said road

It is therefore ordered by the Court that said road be established as a County Road in accordance with the report of said viewers and that the report of said viewers, field notes and plat of survey thereof be recorded as by law required and that the Supervisor through whose District the said road runs be directed to open the same to public use
