In the MATTER of ACCEPTING Indian Service Roads;)
under takeover agreement between Umatilla County) REPORT OF COUNTY ROADMASTER
Court and Bureau of Indian Affairs Personnel.)

Pursuant to the resolution by the above entitled Court the ^{28th} day of March, 1969

The under signed has examined the roads mentioned in the resolution herein-
above mentioned, and found that the Bureau of Indian Affairs has reconstructed
the herein listed Indian Service Roads according to the specifications as set

It is my opinion that the said roads will be usefull to the community ^{and} will
~~improve~~ ^{improve} the networks of the general road system of Umatilla County. The said
Indian Service Roads have been open for public travel, all with minimum required
right-of-way width of 50 feet and it would be advisable to preserve the same
for the Umatilla County Road Department road system in the future, and that the
public will be benefited by it's adoption. therefore,

I conclude, and RECOMMEND that the said Indian Service Roads hereinafter listed
and more particularly described in seperate sheet attached hereto and by this
reference made a part hereof, as aforesaid the County Court to pursue enactment
to legalize the said roads into County Road system.
