Order No. RD2014-06

WHEREAS recent surveys have shown that there is a gap between the north right of way line and the section line on a portion of East Highland Extension, County Road No. 1198, between South Edwards Road and North Loop Road that creates access issues for properties to the north of the road, and

WHEREAS in 1996 descriptions were written for right of way deeds obtained by the County that were based on a section line location that is different than that currently accepted, and

WHEREAS information was received after the deeds were recorded that the road was intentionally built south of the section line in 1991, and

WHEREAS legalizing the road in a location that eliminates the gaps will not negatively impact the County's ability to maintain or improve the road,

WHEREAS ORS 368.201 provides a basis for initiation of legalization proceedings if the location of the road cannot be accurately determined due to a defective survey of the road or adjacent property.

NOW THEREFORE, the Board of Commissioners orders that East Highland Extension, County Road No. 1198, located between South Edwards Road and North Loop Road in Sections 9, 10, 11, 14, 15, and 16, Township 4 North, Range 29 E.W.M., be surveyed in anticipation of legalization of the road.

DATED this 30<sup>th</sup> day of July, 2014.
