OPENING ROAD No. 713 ✓

This matter comes on for final hearing upon the report of the board of county road viewers heretofore instructed at the May, 1911, term of this court to view, survey, stake, layout and report upon the cost of opening said road petitioned for as follows:

Commencing at the west end of the county bridge on the north line of sec 17 T 4 N R 28 E W M, thence running in a southeasterly direction along the most practical route on the west bank of the Umatilla river to the east line of sec 17, thence south along the east line of sec 17 to a point on the north bank of Umatilla river, thence in a southwesterly direction along the north and west bank of the Umatilla river following the most practical route to the south line of Sec 17 T 4 N R 28 E W M, and there terminating, said road to be 40 feet wide.

And it appearing to the court that the report is duly signed by said board, that the plat and field notes are certified by the surveyor that there are no remonstrances or objections on file against the same, that the cost of opening said road and damages to be sustained by the property owners will be nothing, and that said report having been read on three different days of the same term of court, and the court being advised,

It is therefore considered and ordered that said report be accepted and approved, that the plat and field notes be duly recorded that the same be declared a public highway of Umatilla county and that the road supervisor through whose district said road runs be instructed to open the same to public travel.

OPENING ROAD No 714

This comes on this day for final hearing upon the report of the board of county road viewers heretofore instructed at the May 1911, term of this court to view, survey, stake, layout and report upon the cost of opening said proposed road petitioned for as follows:

Commencing at the 1/4 section corner between section 27 and 28 T 5 N R 29 E W M, thence west 3 miles on 1/4 section line to the 1/4 section corner between sections 25 and 30 T 5 N R 28 E W M and 29 E W M, and there terminating, said road to be 40 feet wide.

And it appearing to the court that said board of viewers has reported said route as practical and recommended that said petition be granted and said road established, and found the cost of opening the same to be \$150.00 and the damages to be sustained by Mr Tabor on account thereof to be \$125.00 and no other damages, that said report is duly signed by said board and the plat and field notes certified to by the surveyor and it appearing to the court that said road is not of sufficient public utility to warrant the county in paying said
