

REPORT OF BOARD OF COUNTY ROAD VIEWERS

IN THE MATTER OF VIEWING, SURVEYING AND LAYING OUT
COUNTY ROAD NO. 810

TO THE HONORABLE COUNTY COURT OF THE STATE OF OREGON, FOR UMATILLA COUNTY.

WE, THE UNDERSIGNED Board of County Road Viewers, heretofore instructed to view, survey, and locate Road No. 810, submit the following report:

Pursuant to an order of the Honorable County Court, we met at Pendleton,
Oregon, on the 15th day of November 19 20.

~~We called to our aid~~ _____ ~~Chainman~~
_____ ~~Chainman~~
_____ ~~Flagman~~
_____ ~~Marker~~

~~who were by the Surveyor each duly sworn.~~ We viewd, ~~surveyed~~, and located said Road No. 810, as specified in our order. We find said route will make a good road as it is badly needed. This road is located between the C-W RR right of way and the U.S. Gov. ditch 5a-5b and is 40 ft. wide. The U. S. Government giving the right of way free gratis for the use of a public road between the ditch and the railroad right of way. The farmers along this road agree if this road is opened as a County Road to draw the gravel and gravel the road themselves.

We find that the lands adjacent to said road or thru which it may be established will be made less valuable the sum of nothing.

We estimate the cost of opening said road at \$300.00.

We therefore respectfully recommend that this road be opened as a Public Highway of Umatilla County, Oregon.
