

To the Honorable County Court of Umatilla County, State of Oregon:

We, the undersigned, residents and householders residing in the vicinity of the hereinafter proposed County road respectfully petition your honorable body, to survey, view out, and establish a County road for the said County, the proposed line of said County road being described as follows:

Beginning at a point on the east bank of McKay Creek where the center of the east end of the upper County bridge across said creek joins on to said bank, and from said initial point running northerly along down the east side of said creek as nearly as practicable to the bluff or rise and bordering said creek bottom, to and across the road leading from Pendleton to the lower bridge across said creek, thence along the east line of fence around the field of G. A. Hartman, thence continuing along down said fence to where the said fence joins the east line of the fence on the farm of J. H. Raley, thence along down the said east line of Raley's fence to the intersection of the road now leading from the residence of J. H. Raley on said McKay Creek to Pendleton, thence in a Northeasterly direction following said road, or as nearly thereto as a good practicable road may be obtained, to a point on the North line of Section sixteen (16), Township two (2) North of Range thirty two (32), East of the Willamette Meridian, Eighty (80) rods west of the North east corner of said section; thence in a North-easterly direction along the most practicable route for a County road to a point on the South bank of Tu-Ta-Willow creek where the South end of the County bridge across said creek joins on to said South bank, the point of termination of said road being particularly described as the center of the South end of said bridge, and your petitioners will ever pray.

J. H. Raley
