Based on the preceding items, the following agreement for shared maintenance has been accepted by both Umatilla County and Morrow County.

#1. – Before this agreement takes effect, County Line Road will be brought up to a mutually agreeable standard. County Line Road will then be maintained by both parties at this level.

#2. -It is agreed County Line Road will be maintained by each county on a semiannual basis. The routine maintenance will be performed by Morrow County from January 1 thru June 30 of each calendar year. The routine maintenance will be performed by Umatilla County from July 1 thru December 31 of each calendar year. This rotation will continue each year following.

#3. – It is agreed major maintenance projects will need to be agreed upon in advance and entered into by mutual consent of both county governing bodies, under their existing processes. An Equal Share Agreement will be negotiated by the Public Works Director of each county and approved by the governing body of each county.

#4. – It is agreed either party may terminate this agreement by giving ninety (90) days written notice prior to January 1 of any year. This agreement may be terminated at any time by mutual agreement of both parties.
