

To the Honorable County Court of the State of Oregon, for Umatilla County:-

We, the undersigned, your Petitioners, who are residents and householders within Umatilla County, Oregon, and who reside in the vicinity of the hereinafter described County road and proposed route for a County road, respectfully represent to Your Honorable Body as follows:-

That there exists at this time a County road which has been laid out and opened in the manner by law required, in Umatilla County, which is particularly described as follows: Commencing at the Southwest corner of Section No.1, in Township 3 North of Range 28 East of the Willamette Meridian; thence running East on the Section line to the Southeast corner of Section No.6, in Township 3 North of Range 29 E.W.M.; thence running South one-half a mile, thence running East to the Northeast corner of the Northwest Quarter of the Southwest Quarter of Section No.8, in Township 3 North and Range No.29 East of the Willamette Meridian; thence running South one-half a mile to the section line between Sections No.8 and 17, in said Township 3 North, Range 29 E.W.M., where it intersects with the center line of the County road at that point; that the said described County road is now 60 feet wide and there is no reason or necessity why the same should be more than 40 feet wide and, as a matter of fact, it would be for the benefit of the undersigned, as well as all persons living in the vicinity of said road, and who are interested in keeping the same in repair and travelling thereon, that the said road should be altered and changed from its present width of 60 feet to the width of 40 feet, and no person could possibly be in any manner injured or inconvenienced by having such change made.

That it costs much more to keep the same in good condition and repair as it now stands, than it would cost if it were 40 feet wide, and all persons interested and whose duty it is to contribute in any manner or anything toward maintaining said road, would be benefitted by having it changed from its present width of 60 feet to 40 feet.

WHEREFORE, the undersigned, your petitioners, respectfully petition Your Honorable Body, to cause the above described road, which is in Umatilla County, Oregon, to be so altered and changed as to be 40 feet wide along its entire distance, as above described, instead of 60 feet wide as it is now; and your Petitioners will ever pray, etc.

Dated this 29 day of June, 1901.
