SURVEYOR'S CERTIFICATE & NARRATIVE:

I, Ronald V. McKinnis, being a Registered Professional Land Surveyor of the State of Oregon, certify that I have correctly surveyed and monumented the land more particularly described in the Legal Description shown hereon according to ORS Chapter 92 of the State of Oregon.

The purpose of this survey was to reconfigure two parcels by Replat, Parcels 1 & 2 of Partion Plat 1995-31. Both tax lots are under the ownership of Michael Kinlock. This Survey is Based on my Survey for Partion Plat 1995-31. The Basis of Bearing for this Survey was the Center line of Harding Street as shown. I found the Section Corners as indicated and most of my original pins for the partition survey in addition to pins by Primm for an adjacent partion plat. I reconfigured the two parcel as directed by the owner and shown on this Replat. The Initial Point for this Survey was the Southwest Corner of Parcel 2 as I set in Partion Plat 1995-31. This survey was performed using a Trimble RTK Total Station.
