 (000) of record  
 Scale: 1" = 200'

**NARRATIVE:**  
 The purpose of this survey is to stake the East & South Lines of the NW 1/4 NW 1/4 of Sec. 27, to see what encroachments there are. In a 1977 sur. for Kik on the race track and a June 2, 1978 sur for Kik on the sand drag strip I used a point on the E of 4th St, as the NW 1/16 of Sec. 27 as it is indicated on the plat of "Charles Tracts". In a June 28, 1978 sur for Peterson Estate it was determined that the North line of "Charles Tracts" is not the E-W E of the NW 1/2 of Sec. 27 as is stated on the plat. In this survey I set the NW 1/16 cor. as per previously established 1/16 corners by prescribed methods.
