Bearing Base: My
1984 Sur. for Bounds.

Scale: 1" = 200'

LANDS OF EDGAR T. JOHNSON
SEE BOOK 323, PAGE 251.

NARRATIVE:

The purpose of this survey is to do a boundary line adjustment to move the North line of Tax Lot 1415, Map 4N 27 (AKA Parcel ①) North about 325 feet to an existing road easement. Said tax lot and tax lot 500 of Map 4N 27 25A are described in a deed conveyed to the Port of Umatilla recorded on Reel 178, Page 895, Umatilla County Deed Records. Portions of said Port parcel were surveyed by Staebler in 1968 and 1981 and by me in 1984 for Roger Bounds. I used monuments from those three surveys to do this survey and to base my bearings. The bearings of those three surveys are the same.

LEGEND:

- Found 1/2 rebar (A) Staebler, 1981 Survey for Bounds.
- (B) My 1984 Survey for Bounds.
- (C) Staebler, 1968 Survey for Bounds - Johnson.
- Set 5/8" x 30" rebar with plastic cap #951.
- (ooo) of Record. Staebler's 1981 Survey or My 1984 Survey.
- [ooo] of Record. Deed.
