

**RECORD of SURVEY for
Ascencion Ibarra
766 East Main Street
Hermiston, Oregon 97838**

**T. 4 N., R. 28 E., W.M., Section 11
Northwest 1/4 of the Southeast 1/4**

NARRATIVE:

The purpose of this survey was to establish the property lines of the Lot. I located a few of the monuments in the area as shown on this survey. I then established the Lot corners according to the Found Monuments and a reconstruction of Block "D" of the subdivision. I used the Center Line of Main Street as the Basis of Bearing and set the Lot corners as requested by the owners. I Found no corners along Eight Street, to the South, so I established the Southeast corner according to the Deed Lot distances. I have shown the calc'd locations of the remaining corners.
