

NARRATIVE

1. Survey was performed to set boundary between the properties as requested by the property owners.
2. Found Street monuments and survey markers as set by Paul Tompkins in survey 91-82-B.
3. Minor differences were found in angles and distances and are noted on the drawing. The Bearing of 12th Street as shown on Tompkins survey and Collier-Harris subdivision was used as basis of bearing.
4. Top number in paranthis is from survey 91-82-B and bottom number is from Hillside Addition.
