

NARRATIVE:

The purpose of this survey is to stake Lots 8, 9 & 10 and the West 200 feet of Lot 1, Block 3, Brownell's Addition and to show the location of the store for expansion of the building. All of the monuments located in this survey fit well in relation to one another but I find no records of them being set. The iron pipes and the 1/2" iron rod could have been set by Criger in 1944 but the 5/8" rebar on the East side of Lot 2 are more recent.
