

NARRATIVE:

The purpose of this survey is to stake that 67.75 acre tract of land described in Deed, R. 181, Page 668, to to Hermiston School District 8R so a Topog Map of the Westerly 40 acres can be done for the design of a new school building.
 I subdivided the Northwest Quarter of Section 12 in a 1992 survey for John May and this survey is based on said May survey.
