

WESTON

AS RESURVEYED, A.L. ADAMS
 CIVIL ENGINEER, PENDLETON, OREG.
 JULY, 18, 1890.

Note: In this survey it was deemed advisable to make but slight changes from original surveys careful and accurate survey of the town as it is being thought better than any effort at correction of blunders in judgement or work.

Note: This plat is a copy of a copy made by Geo. Williams of Weston Oregon. On checking this plat with recorded plats on file in the Umatilla County Court House, numerous instances were found wherein this plat varies from the official plats, therefore it is deemed advisable to be cautious in the use of this plat for the conveyance of real property or other official purposes.
