

NARRATIVE:

Purpose of this survey was to establish the line between U.S. Highway 395 and that parcel belonging to Robert Connell. The legal description was provided by the Oregon State Highway Dept. The found points shown were set during previous work for Mr. Connell in 1979. They were used to set the corners shown. Bearings are based upon the same survey.

LEGEND:

- denotes monuments found
- denotes 3/8" iron pin set
