

**CERTIFIED RECORD OF LAND CORNER MONUMENTATION**

J - 15  
DIAGRAM

**History of original corner establishment:**

The original corner was established by George S. Pershin on June 15, 1882, under GLO contract No. 430, as follows:

Set a basalt stone, 14" x 12" x 4", in a mound of stone in a large open glade on an east slope, marked "1/4" on north face, for the 1/4 section corner.

T4S R30E  
1/4 S10  
S15  
PLS 1636  
2003

**Original corner evidence recovered:**

Found the original corner stone loosely set in a mound of stones. The corner stone is 12" x 12" x 4" and is plainly marked "1/4" on one face.

**Monument and accessories established to perpetuate the original position of this corner:**

In place of the original corner stone, I set a 1" x 15" flared, galvanized iron pipe 10" into the ground to bedrock. A 2 1/2" brass cap attached to the top of the pipe is marked as shown in the diagram above. I bury the corner stone along the south side of the pipe and build a mound of stones around the pipe, from which:

- A 13" Ponderosa Pine, scribed "1/4 S10 BT", bears N60° E, 243.1 feet.
- A 17" Ponderosa Pine, scribed "1/4 S15 BT", bears S40° 30' E, 204.5 feet.
- A 14" Ponderosa Pine, scribed "1/4 S15 BT", bears S64° 30' W, 151.9 feet.
- A 24" Ponderosa Pine, scribed "1/4 S10 BT", bears N2° W, 153.9 feet.
- A fence corner, with wire fences projecting north and west, bears N81° W, 139.5 feet.
- An ancient, down fence projecting east and west bears north, 13.0 feet.

The bearing trees are scribed on double blazes and have a 3/4" brass washer, marked "PLS 1636", nailed flush to the bottom of the lower blaze.

I hereby certify the above corner point was perpetuated as hereon described on June 26, 2003. Magnetic declination set in compass: 17° E.  
NAD '83 UTM Zone 11 position: 5010372N, 337061E (plus or minus two meters).
