	Using Burt' Improved Solar Compass and having run the S. and E. exteriors of this Tp. myself I do not retrace the S. and E. Bdys. of Sec. 36, but I begin at the Cor. to Sec. 35 and 36 on the S. Bdy. and I run, N. between Sec. 35 and 36 and set half mile and mile Cors. thence, E. on a random line between Secs. 25 and 36,	
76.78	Intersect E. Bdy, showing a material error in the S Bdy. of the Tp. having run this S. Bdy. myself and there having been no work closed on it, I therefor assume the the responsibility to re-run this S. Bdy. and correct the existing error to avoid irregularity and confusion. I begin at the Cor. to Sec. 35 and 36 on the S. Bdy of the Tp. and I run, N. between Secs. 35 & 36, Var. 21° 00' E
