

Aug 28 1917

Commencing at the section cor
common to Secs 5, 6, 7, 8 I run north
on random line by turning $90^{\circ}48'$ right
from random line run west yesterday
bet. Secs. 6 & 7.

40.55 to $\frac{1}{4}$ cor. common to secs 5 & 6 my line
runs 7 links west of corner.

82.17 Search diligently but fail to find
traces of corner.

From above point temporary corner for
secs 5, 6, 31, 32, I turn $90^{\circ}06'$ left from
random line and run west.

39.94 Intersect $\frac{1}{4}$ Sec Line 250 lks north of $\frac{1}{4}$ cor
Stone marked $\frac{1}{4}$ on N side in mound of
stone. Correct line onto section line
and run west as determined by
road running west

80.35 to Range line which I intersect
